

**Camp Covenant || Centrifuge || 6.16.25-6.21.25 || Union University Jackson,
TN**

Parents and students, it is our desire to have the best week of camp ever. We want to have an opportunity to not only have fun, but to grow in our faith and see what all God has in store for our lives. As such, we want to eliminate anything that can distract us during this week. We do not want to encourage any former sin or introduce any danger during the week of camp. Also, we are collectively a representative of our church and of Christ. For these reasons, we are signing a camp covenant to outline the rules and expectations for the week.

- I. The student will follow all camp established rules. (Attached in Parent Packet)
- II. The student will respect all camp employees and chaperones.
- III. There will be no use of illegal substances, including (but not limited to): vapes, tobacco products, alcohol, controlled substances, etc.
- IV. The students will not leave the rooms after “lights-out.”
- V. The students will obey our church rule on use of cell phones.
 - A. Students will turn in their cell phones to an FBC Chaperone once at camp.
 - B. Students will be allowed to have their cell phones during afternoon or evening free time.
 - C. Students are not to arrange a time to meet up with other campers after “lights-out”
 - D. Students are not to arrange delivery of outside food/drink at any time. (FBC will provide food during church time each night)
 - E. This time will not be used to scroll social media.
 - F. Students will turn in their cell phones to an FBC Chaperone AFTER free time BEFORE lights-out each night.

*****If parents need to contact student, they will call Stephen at 985-707-7869, and we will get them in contact promptly.***

If rules III or IV are broken, it will result in automatic dismissal from camp and parents will be called to pick up student early. (one strike and the student is out)

Other rules will be determined on case-by-case basis. Refusal to follow any rule will result in early dismissal from camp and parent called to retrieve student.
